Company Profile

Logistics Plus Inc. provides freight transportation, warehousing, global logistics, and supply chain solutions through a worldwide network of talented and caring professionals. Founded in Erie, PA by local entrepreneur, Jim Berlin, 20 years ago, Logistics Plus has annual sales surpassing \$150M and has been repeatedly recognized as one of the fastest-growing transportation and logistics companies in the country. GE Transportation, our very first partner, tops a list of loyal customers that span a variety of industries, including Energy, Manufacturing, Assembly, Heavy Industrial, Food, Wholesale, Technology, and many others.

Working as a 3PL or 4PL partner, Logistics Plus® offers simple, reliable, and affordable solutions, including less-than-truckload (LTL), truckload brokerage, air and ocean freight forwarding, warehousing and distribution, project cargo, import/export, and global trade compliance services. We're the company that handles supply chain challenges from start-to-finish by doing what other logistics companies either can't or won't do. With a strong passion for excellence, our employees put the "plus" in logistics by doing the big things properly, and the countless little things, that together ensure complete customer satisfaction and success.
