

We put the “PLUS” in Warehousing & Distribution

Logistics Plus[®] dedicated warehouse solutions are just the right size, in just the right place, for just the right length of time. You don't pay for space you don't need; we'll find you the perfect fit! Need to store your heavy-lift, industrial-sized cargo? No problem - we've got it covered. Need to warehouse your retail inventory for Fulfillment By Amazon (FBA) or direct-to-customer fulfillment? As a member of the Amazon[®] Solutions Provider Network - we've got that covered too. Need a comprehensive inventory management solution with pick, pack, and ship services? Our strategic partnership with Lynx Fulfillment[®] can provide everything you need.

We have warehouse facilities strategically located for West Coast, Southwest, Southeast and Northeast distributions. Additionally, we have the leverage and expertise to source additional warehousing space wherever else you need it - even around the world! Customers get full visibility to their inventory through the Logistics Plus eWorldPlus[™] warehouse management systems (WMS) powered by CargoWise One[®] technology.
