

Fulfillment By Amazon (FBA)

Logistics Plus® offers a robust solution for clients that use Fulfillment By Amazon (FBA) ranging from managing the entirety of the FBA process to labeling of product!

Primary Solutions

Warehousing

We can warehouse your inventory in anticipation of future Amazon orders.

Purchase Order Generation

Purchases orders can be routed to LP Fulfillment via email or LP Fulfillment can check the Amazon Vendor Central Portal daily.

Confirmation of the Order

LP Fulfillment will confirm the purchase order and handle backorders based on agreed upon procedures.

Labeling

LP Fulfillment will prepare inventory and label cartons with carton labels generated from Vendor Central.

Routing Request, Shipping and ASN Submission

LP Fulfillment will make the routing request, ship according to Amazon requirements and submit the Advanced Shipping Notice.

Invoicing

We will submit the Invoice using the Vendor Central Portal.

Returns Management

Logistics Plus® Fulfillment Solutions can also provide returns management and reverse logistics capabilities.

Primary Solutions

✦ Returns Destination

Have your clients send their returns directly to our center.

✦ Reporting

Upon receipt of the return – you will receive an email notification along with product disposition.

✦ Sorting and Consolidation

Returns can be sorted and consolidated based upon agreed upon instructions.

✦ Resale Items

Items can be made available to sell on your platform with LP Fulfillment handling order fulfillment.

✦ Return to Manufacturer

Items can be consolidated for a manufacturer return.

✦ Liquidation

Items can be consolidated for a liquidator.

✦ Disposal

Items can be consolidated for disposal.

✦ Labeling

LP Fulfillment can prepare any resalable merchandise by re-boxing or re-labeling products.

✦ Shipping

LP Fulfillment can coordinate with Logistics Plus in order to ship your consolidated items to any location that you decide.
