A 21st Century Logistics Company

Logistics Plus Inc. (LP) is a leading worldwide provider of transportation, warehousing, fulfillment, global logistics and supply chain solutions. The company was founded more than 25 years ago in Erie, PA by local entrepreneur, Jim Berlin. Today, Logistics Plus has annual global sales over \$500M and is consistently recognized as a fast-growing transportation and logistics company, a great supply chain partner, a top freight broker, a leading project cargo manager, and a great place to work. With a strong passion for excellence, our employees put the “plus” in logistics by doing the big things properly, and the countless little things, that together ensure complete customer satisfaction and success.
