

WAREHOUSING, FULFILLMENT & INSTALLATIONS

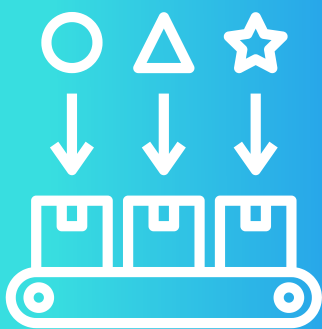

Warehousing & Distribution

Logistics Plus offers dedicated warehousing and distribution services that are just the right size, in just the right place, for just the right length of time. You don't pay for space you don't need; we'll find you the perfect fit!

Fulfillment Solutions

Logistics Plus® Fulfillment Solutions is your one-stop source for pick, pack and ship fulfillment services. Our values reflect our belief in the highest level of service and technology. We provide excellent service and an unwavering commitment to helping them achieve their goals. Be sure to ask us about our same-day, 100% accuracy guarantee!

Fulfillment by Amazon

We make warehousing and fulfillment easy for Amazon Sellers. Let us help diagnose your warehousing challenges, develop inventory management solutions, and then make those solutions work where it matters – out there in the real world. Pre-packaging, kitting, labeling ... we can do it all!

Fulfillment by Merchant

Fulfillment by Merchant (FBM) is when the seller controls the entire handling and shipping process. Instead of paying a service fee and shipping inventory to Amazon to handle these activities, the seller uses the resources of a third-party fulfillment partner, like Logistics Plus, to warehouse and distribute merchandise directly to its buyers.

FF&E Logistics

Logistics Plus serves clients seeking a one-stop global solution for their FF&E or OS&E projects in the hospitality, retail, co-working, co-living, healthcare, education, trade show, and real estate development industries. Our customizable FF&Eplus™ technology platform provides a turnkey warehousing, inventory, and installation solution for project managers, buyers, designers, and installers.
