

Logistics Plus Expands Global Presence with New Offices in Brazil

The new South American division will provide global logistics and trucking solutions.

ERIE, PA (August 22, 2023) – Logistics Plus, Inc. (LP), a leading worldwide provider of transportation, logistics, and supply chain solutions, is pleased to formally announce the opening of new offices in Brazil. As part of the [Logistics Plus® network](#), “**LP Brasil**” will provide domestic and international trucking and truck management solutions, air and ocean freight forwarding, project cargo logistics, customs clearance, IOR/EOR services, trade compliance, and other 3PL/4PL supply chain solutions. The office began operations earlier this year.

LP Brasil is based in [São Paulo](#) with over forty employees and is managed by Frederico Resende. Its trucking operations provide full truckload and less-than-truckload services between Brazil and key cities in surrounding countries, Argentina, Bolivia, Chile, Uruguay, Paraguay, and Perú. LP Brasil will also serve as a critical hub for Logistics Plus customers needing import, export, or project cargo logistics in central South America.

“It’s been an amazing journey being part of Logistics Plus and bringing the LP Culture to South America,” said [Frederico Resende](#).

“I am excited to have Frederico and his team representing Logistics Plus in the heart of South America,” said [Yuriy Ostapyak](#), COO for Logistics Plus. “We look forward to bringing our trademark passion for excellence in these important new trade lanes for our existing and new customers.”
